\*Note: No bargaining unit member employed with the Jesup Community School District previous to the 2006-2007 school year will be adversely effected by this change in staff reduction agreement. Anyone employed before the 2006-2007 school year that would be better served by the previous staff reduction agreement will be granted its use. #### **C. Procedure**

The reduction within the affected area of employment shall be accomplished as follows:

1. Reduction will first be accomplished by attrition.
2. Reduction will be accomplished secondly by reducing employees with temporary or emergency certification within the area of employment. In the event that there are more than one (1) such employees affected, the Administration will determine which of such employees will be reduced on the basis of the criteria established in Section C-3.
3. When neither attrition nor reduction of temporary or emergency certified employees accomplishes the required reduction within the affected area of employment, the Administration shall determine the employee within that area of

employment to be reduced according to the following criteria as each is weighted below:

- a. Total teaching experience in the Jesup Community School District - 18.
  - b. Total teaching experience in other school systems - 10.

D. Layoff Due to Staff Reduction

During said layoff due to reduction, the employee shall not be prevented or prohibited from seeking and accepting employment elsewhere, and shall not be terminated for this reason except on written request by the employee. After two (2) contract years on said layoff, the employee will be removed from the list of employees on layoff due to reduction in staff. Employees on layoff due to reduction in staff shall receive no insurance benefits at Board expense during that status, but may elect to continue insurance benefits by paying the premiums themselves direct to the carrier, contingent upon approval of said procedure by the respective insurance carriers.

E. Recall

An employee on layoff due to reduction shall be offered the first vacancy that occurs in the District within the area of employment from which the employee was reduced, providing the employee is certified for said position at the time of recall. Recall in this fashion shall be in reverse order from the order of reduction from that area of employment. The employee recalled by the Board shall be notified of said fact in writing by certified mail and shall accept the position offered in writing by certified mail within ten (10) days of the receipt of said written notice. If the employee so notified fails to accept that position within said time limits, the employee has then declined the position and surrendered all recall rights. The employee will then be considered an applicant. An employee recalled from reduction shall retain the employee's position on the salary schedule occupied when the reduction began, together with an increase on said salary schedule for experience gained during this period in other districts in Iowa, or additional qualifying education during said period as same has been defined in the Article pertaining to wages and salaries. Employees employed to fill a vacancy created by the awarding of a leave of absence or employed after September 1 shall not be eligible for the benefits of this Article.

## ARTICLE XIII

### GRIEVANCE PROCEDURE

#### A. Definitions

##### 1. Grievance

A grievance shall mean only that there has been an alleged violation, misinterpretation or misapplication of any of the specific provisions of this Agreement.

##### 2. Aggrieved Person

An aggrieved person is the person or the Association making the claim.

##### 3. Party in Interest

A party in interest is the person making the claim, and any person, including the Association or Board, who might be required to take action or against whom action might be taken.

#### B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to any problems concerning this Agreement that may arise. Both parties wish these proceedings to be kept informal and confidential.

#### C. Procedure

##### 1. First Step

An attempt shall be made to resolve the grievance through an information discussion between the aggrieved person and the administrator involved.

##### 2. Second Step

If a grievance is not resolved informally at the first step, the aggrieved shall file the grievance in written form with the administrator within ten (10) calendar days after the informal conference with the administrator. The written grievance shall state the nature of the grievance, spelling out the specific clause or clauses of this Agreement which have been allegedly violated, misinterpreted or misapplied, and shall state the remedy requested. Within fourteen (14) calendar days after the administrator receives the written grievance, a meeting at a mutually agreeable time shall be held with the aggrieved to discuss the alleged grievance and attempt to resolve same. The administrator or his/her designee shall render such decision and communicate it in writing to the aggrieved within fourteen (14) calendar days following the meeting between the administrator and the aggrieved.

##### 3. Third Step

In the event a grievance has not been satisfactorily resolved at the second step, the aggrieved may file an appeal of the administrator's answer within ten (10) calendar days of the said written decision with the Superintendent or his/her designee. Within fourteen (14) calendar days after the written grievance is filed, the aggrieved, the representative(s) of the aggrieved, if desired, and the Superintendent shall meet in an attempt to resolve the grievance. The Superintendent or his/her designee shall file an answer within fifteen (15) calendar days of the third step grievance meeting and communicate it in writing to the employee, the administrator, and the representative of the employee.

4. Fourth Step

If the grievance is not resolved satisfactorily in step three, there shall be available a fourth step of impartial binding arbitration. If a demand for arbitration is not filed within ten (10) calendar days of the third step reply then the grievance will be deemed settled on the basis of the third step answer. Grievances which have been processed through the preceding steps of this procedure and only such grievance shall be submitted to arbitration as provided below:

The grievant and the Association shall submit, in writing, a request to enter into such arbitration. The Public Employment Relations Board shall be requested to provide a list of seven (7) arbitrators. The Association shall remove the first name from the list and shall do so within five (5) school days after receipt of the list. Each party shall have one (1) working day to remove the next name and the two (2) parties shall alternately strike one (1) name at a time from the list until one (1) shall remain. The decision of the arbitrator regarding a grievance on the contract under which the grievance was filed shall be submitted in writing within thirty (30) calendar days following the close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to an extension thereof. The decision of the arbitrator shall be binding on the parties. The arbitrator shall have no power to alter, change, detract from or add to the provisions of this Agreement, but shall have power only to apply and interpret the provisions of this Agreement to the settlement of issues and grievances arising hereunder. All costs for arbitration shall be borne equally by the Board and the Association, except the cost of any representative of each party shall be borne by that party.

D. Rights of the Aggrieved Person

1. Representation

An aggrieved person may be represented at all formal stages of the grievance procedure by himself/herself, or at the option of the aggrieved person, by a representative selected or approved by the Association.

2. Meeting Time

All grievance meetings and hearings shall be held at mutually agreed upon times outside of the regular work day.

E. Miscellaneous

1. Year-End Grievance

In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and if left unresolved until the beginning of the following school year could result in irreparable harm to an aggrieved person, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or within a maximum of thirty (30) calendar days thereafter.

2. Separate Grievance File

All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personal file of any of the participants. Said grievance file shall be kept in the appropriate principal's office.

3. Time Limits  
The time limits specified may be extended by mutual agreement. The failure of an employee or the Association to act on any grievance within the prescribed time limits shall constitute a waiver of the alleged grievance and will act as a bar to further appeal of that alleged grievance. An administrator's failure to give a decision within the prescribed time limits shall permit the grievant to proceed to the next step.
  4. All grievances must be presented within fourteen (14) calendar days of the date of occurrence or knowledge of the occurrence of the event giving rise to the grievance.
